**Attendees:** Edison, Irving, AJ

**Please read:** Own reading sources for respective slides topics

**Please bring:** Device that you will be working on

## Minutes

**Agenda item:** Lack of Current Work

**Presenter:** Edison Cheng

### Discussion:

We discussed about current work, progress, and future time management regarding remaining work while accounting for upcoming deadline.

### Conclusions:

We got an hour's worth of work done. We've seen the work we can get done in an hour so we will manage our work individually with the remaining time left for this project. Occasionally we will check up on each other in the group chat.
